

18 December 2019

INVITATION

As you might be aware, 9th January is celebrated every year as Pravasi Bharatiya Divas (PBD). This is an important occasion for us to connect more closely with the diaspora and engage them in the ongoing transformation in India while also being responsive to their aspirations and concerns.

2. PBD 2020 will be celebrated through the medium of a live video conference where Hon'ble External Affairs Minister of India, Shri S. Jaishankar would directly address the Indian diaspora and thereafter interact with the Indian community on Thursday, 09th January 2020.

3. You are cordially invited on Thursday, 09th January 2020, from 1230 hrs Icelandic time, to view the proceedings at Embassy of India, Tungata-7, 101 Reykjavik followed by interactions/suggestions etc.
