Scholarships for studying in India

Embassy of India, Reykjavik, Iceland is pleased to announce students' scholarships for studying in India from the Academic Year 2020-2021.

Details about various scholarships can be seen at A2A portal (<http://a2ascholarships.iccr.gov.in/>) of the Indian Council for Cultural Relations (ICCR). This site has various drop-down menus that include information about various universities that are available for applying for admission.

In particular, under the drop-down menu of universities list, applicants from Iceland may like to consider courses under Ayurvedic, Yoga and Naturopathy, Unani, Siddha and Homeopathy (AYUSH); National Institute of Fashion Technology (NIFT); and Guru's (Indian classical music and dance). Applicants will have to register at this portal, and accordingly submit their application and proceed further including contacting this Embassy.

The last date of submission of application is 29 February 2020. In case of any clarification, please feel free to visit the Embassy of India, Tungata-7, 101 Reykjavik during working hours.
